GIS AND TOKOH WARGA EMAS NEGARA AWARD AT BANGHURIS HOMESTAY

Yet another successful event was held with the involvement of Global Institute of Studies! In collaborations with Ministry of Education and Majlis Guru Kaunseling Kebangsaan, Anugerah Dan Bicara Tokoh Program was held at the beautiful Banghuris Homestay in Sepang on 27th September.

Attended by Tuan Haji Mohd Ghazali (Educational and Anti-Drugs Unit) and Tuan Haji Samsul (Career and Counseling Assistant Officer), teachers, students and elderly, the event successfully attracted people to consider the best possible education for their children. Booths were set up with the help from respective representatives from each offered programmes at GIS; Diploma and Sijil Kemahiran Malaysia (SKM)

The event started off with the singing of the national and state anthem, followed by a talk from GIS Public Relations Manager, Miss Azrina Aziz on education pathways and job possibilities in the related field, which aimed to raise awareness on potential future of our young generations.

The highlight of the program was the award of Tokoh Warga Emas Negara to Tan Sri Datin Paduka Seri Hajah Zaleha, a show of gratitude for her contributions to the society. She further augmented the program with the speech on how a healthy family relationship is important in society, which was concluded with souvenirs-giving ceremony by Headmaster of SMK Sg Rawang to all the VIPs including GIS.

To complete the cycle of the program, all VIPs had the chance to visit all the set up booths by GIS. Several practical demonstrations from GIS successfully enliven the day; baby massage techniques, culinary and welding demonstrations as well as simulations of engine assembly from automotive.

GIS staffs with Tan Sri Datin Paduka Seri Hajah Zaleha. What a day!

Simulation of engine mechanical of a vehicle from Diploma in Automotive and Mechanical representatives

Colourful educational tools from Diploma in Preschool

GIS chef from Diploma in Culinary Arts with his 'protégé' showing their skills to the audience

Souvenir-giving ceremony from Encik Mohd Amin, principal of SMK Sg Rawang to GIS
